NUMBER 25

Accident Brings Grief to Two Local Families

Earl Dowell and Edward Nowicki Are Victims of Highway Accident

Two Channel Lake families were grief-stricken as the result of a double tragedy that occurred Sunday evening when an automobile owned and driven by Edward Nowicki, 31, in which his brother-in-law, Earl Dowell, was a passenger, struck the rear of a truck which slackened speed in front of them as it went up a slight grade about a mile north of the state line on Highway 41 Sunday evening.

Dowell was killed almost immediately by the force of the impact. Nowicki was removed to the Kenosha hospital, where he died several hours later. His wife had been notified of the accident, and was at his bedside when he passed away.

Both men were employed by the American Brass company, Kenosha. They were going south at the time of the accident, shortly before 7 p. m., as was the truck, a large tractor-trailer transport driven by Fred Downing, 39, of Norwood Park, Chicago for the Milwaukee Truck service.

Cause is Unknown
No apparent cause could be ascertained for the accident, according to Kenosha and Lake county sheriff's squads which hastened to the scene. Downing stated that he was proceeding at a rate between 25 and 30 miles an hour and that his vehicle had slowed (continued on page 5)

Services Are Held For Chas. Monnier; Burial In Chicago

Charles Monnier, 59, wholesale jobber whose "Kitchen-Pak" food business here had built up an excellent clientele until ill-health forced the curtailment of his mercantile activities during the past two years, passed away at his home, 330 Depot street, Friday.

Funeral services were held Monday morning at 11 o'clock in the Strang Funeral home, with the Rev. W. C. Henslee in charge.

Burial was in Mount Hope cemetery, Chicago.

Monnier was born August 3, 1884, at Appleton, Wis., and was the son of Paulette and Carrie Monnier.

He is survived by his wife, and by one son and one daughter.

Legion Announces Feb. 19 As Date Of "Washington Dance"

Saturday, Feb. 19, has been announced as the date for the Antioch American Legion post's annual Washington Birthday dance, to be held in the Danish hall.

Music is to be furnished by Bessie Barnes' orchestra of Wilmot.

All local service men and service women are to be admitted free of charge as guests of the Legion, Commander Floyd Horton announces.

Horton lists as members of his committee F. A. Swenson, Otto S. Klass, Harry Messing, James Caple and Ernest Gienn.

Further plans for the party will be made at a meeting immediately after the Legion meeting on Thursday evening, Feb. 3.

Rescue Squad Summoned To Aid of One of Members

The Antioch rescue squad, responding to a call this morning shortly before noon, discovered that one of its own members, "Bill" Bennet, who had been suddenly taken ill, was the occasion for the call. Bennet was believed to be suffering from a gallstone attack, with possible pneumonia complications. He was removed to St. Therese hospital, Waukegan, by the squad, on the advice of Dr. R. D. Williams, local physician and health officer, who was summoned on the case.

Assisting hostesses at a meeting of the Antioch American Legion auxiliary Friday evening in the home of Mrs. Ann Heath, 208 Parkway, will be Meses Eva Burnette, Olive Tweed, Lillian Card, Vera Nelson and Mary Nedbal.

Unregistered Voters May Sign up at City Hall

All voters of Antioch township are being reminded this week by precinct committeemen of both the Republican and Democratic parties that those who have not as yet registered under the Permanent Registration act may do so at the Antioch village hall Saturday.

Workers who have been out the past few days calling upon voters, report that there are quite a number of unregistered persons of voting age in the township.

Township Supervisor William A. Rosing announces that arrangements have been completed to accept registrations at the hall from 2 to 9 p. m. Saturday.

News of the Boys in Service

"DOODLE BUG" CAPTAIN WELL KNOWN HERE

Well known to many here is Capt. Bernard N. O'Hara of the famous "Doodle Bug," B-24 bomber which came unscathed through 10 months of fighting the Japs in China. Capt. O'Hara and half a dozen members of his nine-man crew arrived in Chicago Saturday for a week of personal appearances in the Chicago and Cook county Fourth War Loan drive.

Capt. O'Hara, who is 27, is a son of Mr. and Mrs. John O'Hara of Long Beach, near Michigan City, Ind., and Indian Point, Antioch, where they have maintained a summer home for many years. He took an interest in aviation at an early age, and used to fly his little Cub plane over into "Charley" Ackerman's soy bean patch.

Members of the Doodle Bug crew who accompanied him to Chicago were Lt. Robert C. Murray, 24, and Lt. Donald R. West, 23, of Chicago; Lt. Leonard C. Miller, La Grange, Ill.; Staff Sergeant John A. Stachowicz, Calumet City and Charles E. Edwards, Hammond, Ind. Each has 300 combat hours to his credit. In 85 missions, neither plane nor crew was injured.

"Your newsletter with signatures galore gave me a lot of pleasure. Seeing all those 'John Hancock's' makes me think of people milling around at a carnival. You think you (Continued on page 5)

Talks on Legion Medal Awards Given at School

A series of talks on the five qualities which form the basis of the annual Antioch American Legion award to pupils of the Grade school was opened last Wednesday when Otto S. Klass, citizenship chairman, spoke at the school.

Wednesday of this week, Attorney Edward Jacobs spoke on "Honor."

The other subjects to be discussed by succeeding speakers are "Scholarship," "Leadership," "Service" and "Courage."

Presentation of the awards this year will take place at the eighth grade graduation banquet.

Overseas Red Cross Work to be Described

Carl B. Mast, Fort Madison, Ia., formerly regional field supervisor of American Red Cross services in North Africa, will describe Red Cross overseas activities in a talk Tuesday, Feb. 1, at 7:30 P. M. in the Red Cross building, 325 Washington street, Waukegan, E. Merle Schirmer, chairman of the North Lake County chapter of the American Red Cross announces. This meeting, which is the regular monthly meeting of the Board of Directors, will be open to the public and will be held in the large production room of the building.

School Officials Attend Tri-County Conference

Antioch representatives who attended a Tri-County conference of school officials Wednesday afternoon and evening in Chicago included the following:

Mrs. Myrtle Klass, Mrs. Ida Kufalk, and Mrs. Helen Patrovsky of the Antioch Grade school board; Principal Richard Whiteacre.

Dr. John K. Norton, director of the Teachers' college at Columbia university, New York, was a speaker.

Joseph Patrovsky, Jr., was home from St. John's Military academy, Delafield, Wis., Saturday to visit his parents, Mr. and Mrs. Joseph Patrovsky. He was accompanied by Instructor Clark of the academy and by his room-mate, Don Sucher.

Mary Stanley, First Antioch Librarian, Dies

Death Friday In Waukegan Hospital Is Felt as Loss to Community

Received with sorrow throughout the community was the news that Miss Mary E. Stanley, first librarian of the Antioch Township library, had passed away Friday in St. Therese hospital, Waukegan, after a week's illness.

Always cheerful and alert in manner, Miss Stanley was described as "an inspiration" to the hundreds of persons with whom she came into contact through her work over a period of many years.

Although she retired from her duties as librarian about a year ago, the fine library which Antioch Township now possesses is considered a monument to her many years of faithful service.

Born in Wheatland, Ia., Jan. 16, 1863, she was the daughter of a Presbyterian minister, the Rev. Hannibal Stanley, and retained her affiliation with that church through her lifetime, although she was a faithful attendant at the Antioch Methodist church during her residence here, and served as superintendent of the Sunday school primary department for many years.

Lake Forest Graduate
Miss Stanley came to Lake Forest with her parents as a young girl, and was a graduate of Lake Forest college.

For the past two decades she has been a resident of Antioch, making her home with Miss Lottie Jones.

Surviving are seven nieces and nephews, including Mrs. Howard E. Smith, Gurnee, and Mrs. Stanley Jack, Waukegan, and 15 grandnieces and grandnephews.

Simple funeral rites were conducted at the Strang Funeral home Monday afternoon at 2 o'clock, with the pastor of the Waukegan Presbyterian church officiating. Burial, by Miss Stanley's request, was in Hillside cemetery here.

Services Held In Chicago Monday for Mrs. Babor

Former Antioch Woman Is Victim of Heart Attack at Bristol Residence

Relatives and friends of Mrs. Anna Babor, former resident of Antioch, were shocked to hear of her death Jan. 20 at her home near Bristol, Wis. Mrs. Babor died of a heart attack in her sleep. She had been afflicted with diabetes for many years and had recently spent some time in a Kenosha hospital, but was otherwise believed to be in fair health, and her death was unexpected.

Funeral services were held in Chicago, with burial in the Bohemian National cemetery there. A large gathering of relatives and friends attended the services, and many beautiful floral pieces attested to the esteem in which the deceased was held.

Anticipated Golden Wedding

Mrs. Babor was born 73 years ago in Czechoslovakia, and came to this country with her parents at the age of 10. She became the bride of James Babor June 6, 1894, and anticipated celebrating their golden wedding anniversary this coming summer. Three children were born to them.

The Babor family made their home in Chicago until 34 years ago, when they came to this vicinity. Thirteen of those years were spent in Antioch, where Babor built and operated the Antioch Packing House. The remaining years were spent in retirement on their farm four miles northeast of Antioch, in Bristol township, Kenosha county.

Friends of Mrs. Babor comment, "She leaves behind her the memory of being not only a wonderful wife, mother and grandmother, but of being sincere and generous to all. Her home was always filled with relatives and friends, all of whom knew her to be a charming hostess."

Surviving are her husband, James, of Bristol; a son, Edward, of Antioch; two daughters, Mrs. Frank (Bess) Cerny of Chicago, and Mrs. George J. (Anne) Malek of Berwyn, Ill., and five grandchildren, Joyce Babor, Vivian and George Malek; Lillian and Capt. Edward V. Cerny. Capt. Cerny, who is stationed at Ft. Meade, Md., spent his childhood with his grandparents. Because of his military duties he was unable to attend the funeral rites.

NOW MORE VITAL THAN EVER!

Dimes "March Back" To Give Help Here, Too, Chairman Learns

A splendid response has been meeting the local "March of Dimes" campaign, according to Chairman Roy Kufalk. Both the Lakes and the Antioch theatre have been co-operating in the drive, and collection boxes placed with business establishments about the community have also drawn many contributions.

Antioch victims of infantile paralysis have had practical experience with regard to benefits received from the "March of Dimes" contributions in the past, Kufalk points out.

This week, he received a letter from Joseph P. Daly, Lake County chairman stating that arrangements are being made to permit the treatment of an Antioch victim at Wesley Memorial hospital, Chicago. Three other local victims have previously received helpful treatment there, of recent years, Kufalk states, through "March of Dimes" funds. Additional care elsewhere has also been made possible.

Dr. L. Hanneman, Former Wilmot Resident, Dies

Passes Away in Milwaukee Hospital After Short Illness, Aged 40

Dr. Leland W. Hanneman, 40, Milwaukee, formerly of Wilmot, was buried Sunday at the Wilmot cemetery, following services at the Raasch Funeral home in Milwaukee at 2 p. m.

His death at a Milwaukee hospital Friday morning after a few days' illness was attributed to pneumonia. He was a son of the late Mr. and Mrs. Julius Hanneman and attended grade and high schools in Wilmot, afterward studying at Northwestern Preparatory school, Watertown, Wis., and served for two years with the U. S. Marine corps.

Lieutenant in Dental Corps
He was a graduate of West Division High school and Marquette Dental school in Milwaukee, and was a first lieutenant in the dental corps, being stationed in Louisiana for six months in the present war before receiving a medical discharge.

Survivors include a daughter, Mary Lee, aged 10, and three brothers, Fred, Floyd and Lavester, all of Milwaukee.

Services at the grave site were conducted by the Rev. R. P. Otto of Peace Lutheran church, Wilmot.

Mrs. John Gauger, assisted by Mrs. August Lubkeman, had a dinner for the members of the family and relatives Sunday evening.

Present were:

Mr. and Mrs. Fred Hanneman and son, William, Floyd and Lavester Hanneman, Mrs. Louis Hanneman and daughter Mary Lee, Milwaukee, Mr. and Mrs. William Hanneman, Burlington, Mrs. Louisa Lasco, Kenosha, and Charles Oetting, Trevor, Mr. and Mrs. R. Minnis, Mrs. Hulda Carlson, Mr. and Mrs. G. Cole, Mr. and Mrs. R. Cole, Mrs. Elmer Osmond, Herman Bushing, Lester Avers and daughter, all of Chicago, Mr. and Mrs. August Lubkeman and nephew August Lubkeman of Lake George, Mr. and Mrs. Carl Gauger and Deloris, and Mrs. Hazel Grice from Evanston. Mrs. Gauger and Mrs. Lubkeman are aunts of Dr. Hanneman.

Loss of \$3,000 Caused by Fire On Voss Farm

Machinery, Toolshed, Milk-House Destroyed on Randall Twp. Farm

Losses estimated at more than \$3,000, only half of which was covered by insurance, resulted from a fire at the Paul Voss farm in Randall township, Kenosha county, Saturday night.

The fire started in a tool shed, destroying a tractor, feed delivery truck, plows, drags and other implements, and spread to the milk house and chicken house.

The tool shed and milk house were completely destroyed and the chicken house partially burned, with a loss of 40 hens.

The fact that the wind was from the northwest was credited by Wilmot firemen with making it possible for them to save the remaining buildings.

Neighbor Gives Alarm
The fire was first noticed at midnight when a neighbor, Mrs. Mikula, looked across the fields between her home and that of the Voss family and observed the flames.

She notified the Voss' and the Wilmot fire department. Thirty-five men from the neighborhood also responded to aid the firemen.

Friday afternoon, the Wilmot fire department was called to put out a grass fire near the Trevor tile factory.

Lake Villa Paper Collection Totals 1-1 Tons Of Salvage

The paper salvage drive in Lake Villa township has already exceeded its quota, with more than 11 tons already turned in or ready to be turned in, Civilian Defense Chairman Kirk has announced.

Nine and one-half tons were turned in Monday, and approximately two more tons were reported ready to be turned in.

The amounts turned in by the various collecting groups included the following:

Woman's society, 5,500 pounds; Lake Villa school, 5,400; Monaville school, 2,000; Oakland, 2,200; Cedar Lake, 1,700; Allendale, 1,200; Sand Lake, 1,000 pounds.

The collection of paper will be continued by the Woman's society, and bundles of paper may be brought to the village hall for later collection.

Capt. Hall to Address War Council Gathering

Capt. Morris H. Hall, assistant commander of the East Sixth Service area, will address a meeting of the Antioch Township Civilian War council, Monday evening, Jan. 31, at 8 o'clock in the Antioch High School auditorium.

"The Battle of Russia," a 45-minute motion picture, is also expected to be an interesting feature of the evening.

The meeting will be open to all who are interested, and it is hoped that there will be a large attendance, Vos states.

Antioch Bond Drive "Starts to Roll" This Week

School "Buys" Jeep, Sets Pace; Campaign Gains Momentum

Antioch Township High school has already purchased its "Jeep," it was announced this week by Otto S. Klass, township chairman, praising the progress being shown in the Fourth War Loan drive here.

Students and teaching staff members purchased more than \$1,100 worth of stamps and bonds to complete the buying of the Jeep by Monday, just a week after it was posted at the school by Principal T. R. Birkhead.

Leonard Roblin, a senior who recently qualified as an army aviation cadet, was the largest purchaser with \$500 worth of bonds.

In Antioch township, the drive gained momentum this week under the impetus furnished by committees whose team captains were appointed at an organization meeting held Thursday evening in the Grade school.

Marine Gives "Picture"

Pfc. Gene Hamilton of the U. S. Marine corps, who served for two years in the Pacific area and is now being granted an honorable discharge, addressed the gathering Thursday evening, giving a verbal picture of some of his personal experiences in action.

He was accompanied by Lt. Oshorn of Great Lakes; James F. Stiles, chairman of the bond drive for Lake county, and District Chairman Burgess of Zion.

Committee captains announced by Klass and George Wagner, associate chairman, include T. R. Birkhead, Wesley Reeves, James Stearns, Henry Rentner, Henry Pape, Morris Bown, Peter Toft, Clarence Crowley and George White.

An encouraging response is being noted this far, the captains report, and they express the hope that, as in the Third War Loan drive, Antioch will again "go over the top."

Village Completes New Drainage Ditch

Plan for Post-War Improvement of Hillside Ave. Ready For State Approval

Among the projects which have been completed by the Antioch village management during the past few months is the dredging out of a new ditch to replace one along the Wilmot spur of the Sao Line right-of-way, Village President George B. Bartlett states. Further projects on the village program will be discussed at a meeting of the council Tuesday evening.

The original ditch, which was dug many years ago along the railroad right-of-way, had become clogged with growths of willow and other vegetation which caused silt to accumulate, with the result that when the heavy snows of the 1942-43 winter melted, the basements of homes in an adjoining subdivision in the northern part of the village were flooded.

The new ditch, put in at a cost of around \$180, follows a different channel, through a field in the old Hancock property, an agreement for this purpose having been made with members of the family. It is expected to forestall any trouble with floodwaters in the future.

Plans for the improvement of Hillside avenue, from the cemetery past the Frank Harden farm on Highway 50, have been completed by an engineer employed by the village and are ready to be sent to Springfield for approval, Bartlett announces.

The improvement of the avenue is part of the village's post-war planning program. It is believed that it can be financed by sums from the village's proportionate share of the Illinois state motor fuel tax, in the same manner that the past improvements of Hillside, Spafford and Harden streets were carried out.

These funds, if not used, accumulate to the credit of the village from year-to-year. They can be used by the community for the reimbursement of expenses incurred in improving "through" streets and highways, providing the state gives its approval to the project.

Mr. and Mrs. Vern ("Barney") Barnstable became the parents of a daughter early Wednesday morning, Jan. 26, at St. Therese hospital, Waukegan. They have another daughter, Sue Carol, who is at present staying with her grandmother, Mrs. Lottie Barnstable, in Lake Villa.

Two Worthy Causes Ask Our Co-operation

Two campaigns are at present in progress in this community, and in other communities of the nation, which are deserving of all the support they can be given.

There may be persons who wouldn't give the most whole-hearted support of which they are capable to the Fourth War Bond drive, but if so, we haven't happened to meet any of them yet. Even those who like to do a little "gripping" about "sinking money into those bonds" can generally be noticed a little bit later—quietly sinking quite a few dollars into those bonds and commenting, "Well, after all, they're about as good an investment as a person could find, and little enough for a person to do."

So it looks as though Antioch is going to keep up its fine record in the buying of bonds, and the same will no doubt be true of our adjoining communities. In fact, there is quite a spirit of rivalry in the matter—which is as it should be.

Then, on a smaller scale, but nevertheless worthy of the attention that is drawn to it once a year, is the "March of Dimes" campaign for the aid of sufferers from infantile paralysis.

Antioch has had first-hand knowledge of the need for this work during the past two or three years, since local sufferers from infantile paralysis have received prompt and practical aid through the infantile paralysis funds of Lake county.

While this campaign, in a sense, is an outright contribution; it too, may perhaps be classed as an "investment," since it is an investment in the health and welfare of the nation.

In a time of war, when cruelty and suffering shadow much of the world, it is a cheering thought to know that a few dimes from this part of the country, and a few dimes from some other part of the country may help someone else back to health and perhaps to happiness.

Let's buy bonds for our welfare—and let's give a

few dimes for the welfare of someone else—perhaps right here in our own community!

Why the "Hocus-Pocus in Politics?"

From where we sit—and maybe our view is a little warped, but it's the only view we've got—it looks to us as though there's sort of a conspiracy on all sides to put altogether too much "mystery" in politics.

Now maybe we're old-fashioned, but it seems to us as though the basic rules of good government must be about the same as the best basic rules, say, for business, or farming, or housekeeping, or running a business, or even just running a newspaper.

In other words, there is no substitute for trying to do things the best way they can be done.

Now, there may be three or four good ways of getting a thing done—we don't deny that—and we never did hold with the idea that all politicians are dishonest. There are some office holders who are honest, sincere, hard-working and capable, and who can play square and account honestly for their actions to their employers, the public. We commend them, and we believe that their work will not pass un-noticed, although it may often seem as though it does.

It is only when someone starts a job of "covering up" and surrounding politics with an aura of mystery that we, innocent, unsuspecting and provincial though we may be, begin to get suspicious.

There are some elections coming up this year, as evidenced by the flurry of a lot of folks interested in politics have been in of late months.

We just hope that the candidates for office, and the present holders of offices who are up for re-election—not to mention party leaders—will play fair with their prospective employers, the people, by putting up their qualifications and principles fair and square; and we hope every voter plays fair and square by them, too, by getting out and voting, when the time comes, according to the very best of their knowledge.

We've had the opportunity of observing some pretty horrible examples, here and there around the world, of what happens when the people don't hold onto the reins of government, but let them be grabbed off by gangs of mobsters. It COULD happen anywhere.

Good government doesn't start at the top. It starts in the home, the community, the township and the county, and works upward through the district, the state and the nation.

This idea isn't original with us. We don't even believe it was original with Benjamin Franklin, or whoever else is credited with saying it first—but we believe folks in general will agree that it's a pretty good idea to work on.

Who Started Inflation?

TREVOR

The Wilmet Volunteer fire department was called to Trevor Friday evening to put out a grass fire which was threatening the tile works near the Soo Line depot.

Several from Trevor and vicinity attended funeral services for Mrs. Charley Carr at the Strang funeral home at Antioch Saturday afternoon.

Fred, Floyd and Lavester Hanne-man, Milwaukee, were Friday callers of their cousin, Mrs. Charles Oetting. They spent the afternoon in Wilmet to make burial arrangements for their brother, Dr. Leland Hanne-man, whose burial took place in the Wilmet cemetery Sunday afternoon.

Mrs. Harold Mickle and Mrs. Champ Parham were Kenosha shoppers Friday.

Mrs. Joe Fernandez was a business caller in Burlington Friday.

Ray Bushing, Pikeville called on his cousin, Charles Oetting, Sunday morning.

Mr. and Mrs. Frank Biasi and daughter, Annette, Kenosha, visited the former's parents, Mr. and Mrs. John Biasi, Sunday.

The stockholders of Social Center hall held their annual meeting Thursday evening with nine present. There not being enough members present, the same officers held over to act for the coming year. Saturday evening, Jan. 29 there will be a card party at Social Center hall. There will be prizes and lunch will be served.

Mr. and Mrs. George Kolberg and son, Edward, Chicago, spent over the week-end with Mrs. Kolberg's mother, Mrs. O. Schumacher and brothers, Henry and John Schumacher. On Sunday, Nick Schumacher of Racine visited his mother and brothers.

Mrs. Jessie Allen and daughter, Priscilla, Kenosha, and Mrs. Glen Pacey and daughter, Lynne Ann, Randall, were Sunday visitors of Mr. and Mrs. Champ Parham. Lynne Ann remained with the Parhams till Monday.

Fritz Oetting, Berwyn, Ill., spent over the week-end with his uncle and aunt, Mr. and Mrs. Charles Oetting. On Friday evening, Mr. and Mrs. Alfred Oetting and daughter, Carol, Richmond, called at the parental home.

Mrs. Anna Kelly, Antioch, was a visitor at the Daniel Longman home.

Mrs. Larry Astrup's sister left for her home in Hinsdale, Ill., Friday evening after spending the past few weeks with Mrs. Astrup.

Mr. and Mrs. Ed Yopp and daughter, Dolly, Racine, were Sunday visitors of Mr. and Mrs. John Geyer.

Eric Gustafson accompanied his brother, Jack Gustafson, to Deep Lake recently.

Mr. and Mrs. Alfred Dahl and Mrs. Anna Jacobsen spent Sunday with the Egon Larsen family in Racine.

Mr. and Mrs. Thomas Edwards and son, Dick, Mr. and Mrs. Bert Gill, Silver Lake, and Mrs. John Mizen, Wilmet, were Saturday evening visitors at the Harry Dexter home.

Mr. and Mrs. D. Stonner and Mrs. J. Peterson, Chicago, were Sunday visitors at the John Barnette home at Rock Lake Highlands.

Mrs. Gust Lubkeman, Bristol, was a caller at the Charles Oetting and Theron Hollister homes.

Several from Trevor and vicinity attended the Methodist church dinner at Bristol Sunday.

Mrs. Joseph Smith accompanied Mr. and Mrs. John Barnette to Burlington Tuesday.

Mr. and Mrs. Champ Parham, Mrs. Kermit Schreck and Harold Mickle received word Monday from their aunt, Mrs. Adams, that her husband had died very suddenly at their home in Chicago that morning.

Mrs. Charles Oetting accompanied her cousins, Mr. and Mrs. Irving Elms, to Milwaukee Sunday to attend funeral services for their cousin, Dr. Leland Hanne-man, at the Raasch Funeral home. En route there, Mrs. Oetting's mother, Mrs. Frank Lasco, Kenosha, joined them and accompanied them to Milwaukee, returning to her home Monday after spending Sunday night and Monday with her daughter, Mrs. Oetting, and sister, Mrs. Joseph Smith.

Mrs. Henry Prange, daughter, Carol, and sister, Miss Loraine Kerkman, visited their mother, Mrs. Harry Kerkman, at Brighton.

Mrs. William Kruckman was in Burlington Sunday and attended the play, "Heaven Can Wait."

Mr. and Mrs. Charles Sibley, Antioch, and her sister, Mrs. Florence Evans, Rock Lake, called on Miss Sarah Patrick Sunday afternoon.

Mrs. Fred Nolte was an Antioch caller Monday.

Speed of Light

Light makes the 93-million-mile trip to earth in a little over eight minutes, traveling at a velocity of 180,000 miles a second.

HAMBURGERS BARBECUED PORK AND BEEF SANDWICHES —and our famous Barbecued Ribs

MILLBURN

Millburn Congregational Church will observe National Youth Sunday on January 30 and the young people of the community are especially invited to attend the morning services at 11 o'clock.

Mr. and Mrs. Martin Wegner and family of Burlington, Wis., spent Sunday at the William Huth home.

Leon Strang of Chicago spent the week-end at the home of his brother, Victor Strang.

Mr. and Mrs. Clifford Weber, Sr., and family were dinner guests of Mr. and Mrs. Frank Hauser Sunday.

Mrs. E. A. Martin, Mrs. Leslie Bonner and Miss Vivien Bonner attended funeral services for Miss Mary Stanley at the Strang Funeral home in Antioch on Monday.

Mr. and Mrs. Fred Leable of Rose-erans and Mr. and Mrs. Everett Hucker of Grayslake were callers at the home of Mrs. Annie Hoffman on Sunday.

Misses Marion Johnson and Edna McNeill of Waukegan, Mrs. George DeYoung and Frank DeYoung were guests for dinner at the J. S. Denman home on Sunday.

Hickory Unit of Home Bureau will meet at the home of Mrs. E. A. Martin on Friday afternoon, Jan. 28. Mrs. Helen Volk, County Home adviser, will give the major lesson "Outlook for 1944."

Mrs. Clifford Weber, Jr., returned home Wednesday after spending two months with her husband at Norfolk, Virginia.

Sgt. George DeYoung left for Augusta, Ga., on Thursday after spending his fifteen-day furlough with his parents, Mr. and Mrs. Chris DeYoung on Jelke Farm. Mrs. DeYoung, who has also been visiting at the DeYoung home will leave for her home in Syracuse, N. Y., on Thursday.

W. C. Upton arrived home on Sunday after spending a week in Canistota, S. Dak.

Mr. and Mrs. Herbert Schmelz spent Sunday with the latter's mother, Mrs. Granzo in Oak Park.

Mrs. K. Ridgeway of Trenton, Mo., returned to her home on Thursday after spending several months with Mr. and Mrs. Clarence Klarkowski.

The Ladies' Aid Society will meet at the church Thursday, Feb. 3. Cafeteria dinner will be served at noon by Mrs. Harley Clark, Mrs. Victor Strang, Mrs. Frank Hauser, Mrs. Harry Herrick, Mrs. Scott Miller.

Ship Painting Hard Job

When ships are being reconditioned, almost anything from a bucket of paint to a monkey wrench is likely to be accidentally dropped from a height with force enough to crack a skull, and it is easily possible for a painter swinging in a boson's chair, reaching for out to right or left with a long-handled brush, to fall. Such signs as "Warning!", "DANGER!", "Play Safe!", "Eternity Is a Long Time!" are plentifully displayed to promote safety. As a practical measure, the men wear crash helmets to protect their heads against dropping objects which hit like bombs.

Aircraft Industry Extensive

This year's 31 billion dollar aircraft production program is being handled by factories and workers in 33 states.

Don't Be Charged With Non-Support

Obituary

In its "Milestones" column TIME magazine in its Jan. 3, 1944, issue chronicles this significant obituary notice:

"DEATH REVEALED. The New Deal, 10, after long illness; of maintenance and desuetude. Child of the 1932 election campaign, the New Deal had four healthy years, began to suffer from spots before the eyes in 1937, and never recovered from the shock of war. Last week its father, President Roosevelt, pronounced it dead."

To which should be added: Voters of the USA will conduct an inquest during the 1944 presidential campaign as to the causes for the New Deal's death and will sign their attest to the death certificate at the November 7 election, when final interment will take place. May the deceased rest in peace.

CONGRESSIONAL QUOTES

Representative John Taber (R.) of New York: President Roosevelt has said "out damned spot" to the New Deal, but it will not out. However, the combination of organized minorities with a pipe-line to the Treasury which formerly moved under the name of the New Deal is thus left a nameless orphan. We Republicans like to be constructive rather than negative. And while the President says it is the ex-New Deal, that is a purely negative approach. Therefore, I suggest that from now until next November the description, with the addition of just two letters, might be "The Exit New Deal Party."

New Deal Waste Worries Iowa Farmer

In a single-handed effort to improve the New Deal with its wastefulness, an Iowa farmer has returned AAA parity payments totaling \$900.27, received over a period of six years, to Henry Morgenthau, Secretary of the Treasury. The farmer is Lester A. Crandall, father of 11 children, who operates a 300 acre farm near Dallas, Iowa.

Return of the checks received for cooperating with the AAA farm program is Crandall's method of "expressing disapproval of a wasteful administration whose policies can only lead to ruinous taxation." Accompanying the return of his 1942 AAA parity payment was a letter to Secretary Morgenthau in which Crandall stated:

"With our government borrowing from the future at an unprecedented rate, and public debt proven to be the greatest enemy of a free people, I don't feel that I can use this kind of money at the present time. May I ask that this money be used directly in our war effort and not be used to corrupt the electorate."

Don't Bruise Potatoes

Since many of the rot fungi can enter through wounds on the sweet potato, the pathologist advises growers to be particularly careful not to bruise the potatoes during digging and crating. Some growers handle them as if they were eggs.

Tiny Particles

Colloidal particles may be as small as a millionth of an inch in diameter, and numerous important industrial and biological materials consist of colloidal particles.

Faces and Places: Madeleine Carroll

befriending a group of British sailors at the English Grill and punning, "What a far-rific bunch of boys they are."

Aircraft Production

Smashes Old Record

WASHINGTON.—United States plane factories turned out aircraft at the rate of virtually 100,000 planes a year during October, with a record smashing output of almost 8,300 units, it was learned. Aircraft production in September was 7,598 units. The highest total production prior to October was 7,612 units in August.

Variant of Jewish Star

Worn by Many Parisians

BARCELONA, SPAIN.—Parisians, disgusted by a German order that all Jews must wear a black and yellow star on the left breast as a mark of identification, are said to have upset German occupation authorities by adopting a new style wrinkle—a black and yellow breast pocket handkerchief. A dispatch from the Paris correspondent of the newspaper La Vanguardia Espanola said the style has swept the French capital, with hundreds of non-Jewish men and women flaunting the black and yellow colors as a protest against the anti-Semitic decree.

Pied Piper Uses Sawdust

And Lye to Kill Rodents

NORFOLK, VA.—If Norfolk's new rat control program fails, officials might try the wet sawdust and lye method offered by Walter J. Callis.

First, Callis explained, "I put down a feed of everything a rat would eat and topped it off with half of a buck shad. Then I put a ring of granulated lye, 12 inches wide, around that, then a ring of wet sawdust around that."

The rats, he said, get lye on their feet after walking through wet sawdust and lick off enough to kill them.

No Scarves for Queen;

Forgot Ration Book

LONDON.—Queen Elizabeth and the duchess of Kent, visiting a disabled servicemen's handicraft exhibition, saw several scarves they wished to buy. The best they could do, however, was to ask to have them set aside—because both the queen and the duchess had forgotten to bring their ration books along.

First Irrigation Project

The plot of ground on which the First National Bank of Salt Lake City now stands was in early days the site of the first Anglo Saxon irrigation project in the new world.

Aliens Offered U. S. Education

To Be Prepared for Work of Rehabilitation in Their Own Lands.

NEW YORK.—Plans for the immediate training in American colleges, universities, and technical schools of a considerable number of persons from occupied countries to prepare them to work in specific fields of reconstruction and rehabilitation in their own lands have been approved by educational leaders of the United States and representatives of foreign nations.

A 18 point program setting up standards for the most extensive system of scholarships ever attempted in this country has been adopted. This action is the culmination of nearly two years of conferences and discussions between educators here and abroad. Final details still are to be worked out, but the broad outlines of the project have been determined.

Greece, Poland, Czechoslovakia, and Norway already have agreed in principle to the program of scholarship exchanges. Dr. Stephen Dugan, director of the Institute of International Education, who has been studying the problem, reports.

Educators Interested.
American educators and representatives of many of the occupied nations of Europe attended an institute on international exchange and scholarships at New York university under auspices of the United States committee on educational reconstruction. Dr. Charles M. Thompson, chief of the cultural relations division of the state department, attended.

Dr. Ralph E. Turner, also of the state department's cultural relations division, is in England, meeting with educational leaders and government officials on postwar educational issues. It is understood one of the problems he is examining is that of the extent to which the scholarship exchange plan can be utilized.

Thus far representatives of the occupied countries have agreed to a program for the exchange of students and teachers in the postwar period and to invite specialists to assist the occupied countries in reconstruction.

How many scholars would be involved in the exchange plans has not been determined. One country has indicated it is ready to send 400 students here, while another seeks to send 300.

Best Facilities Available.
All students sent here will receive complete tuition and maintenance expenses. The cost of each student is estimated at \$2,000 a year. These expenses will be covered by a co-operative effort of various agencies, with the home country, the host country, and private organizations sharing as a rule.

Adapting the principle of lend-lease to the field of education, the educators attending the institute voted to take adequate steps to place the best training facilities and educational institutions at the disposal of the most promising youth of the Axis-occupied countries. This training is to be done in specific fields of reconstruction, such as agriculture, industrial production, transportation, social service, and mass education.

As far as possible, it was agreed, students shall be selected who have had previous training and experience in their special fields and therefore can gain most during a relatively short period of training in another country. The selection is to be based exclusively on the personal qualities of the students, with discrimination based on race, sex, or creed eliminated.

Allot Half Ton of Coal

To Britons for 2 Months

LONDON.—It looks like a cold winter ahead for Britons.

The ministry of fuel announced that because of declining coal production and increased demand each individual customer will be limited to 1,120 pounds for house and kitchen use during November and December in southern England.

In the rest of England, Wales and Scotland, a consumer may buy 1,450 pounds during that period.

These allotments can be increased only by obtaining a special license.

Wild Rice Is a Luxury,

So Price Control Lifted

WASHINGTON.—The Office of Price Administration took note of the wild rice situation. Price officials have decided what every real food lover always has known—that wild rice is a luxury, hard to get. So OPA exempted it from price control, reckoning the move would have no effect on the general cost of living. Wild rice, said OPA, is a "minor commodity."

Polish Girls Go Into

Fight on Russian Front

NEW YORK.—The Soviet sponsored Union of Polish Patriots said in a Moscow broadcast that the Polish Kosciusko division had gone into action against the Germans on the Russian front and that "even slaps of girls went into battle with hearts of heroes."

The division, named for Tadeus Kosciusko, Polish patriot, was created with the consent of Marshal Stalin, it was reported.

W. L. White, author of **THEY WERE EXPENDABLE**, has written a superb story of our fighting men in the air. **QUEENS DIE PROUDLY**. It is the story of a Flying Fortress crew in the terrific air action that began in the Philippines and continued its explosive course from island to island southward through the Pacific. It is the greatest war story to date.

M. E. Church—Worship at 9:15 A. M., Sunday. Sunday School 10:15. Peace Ev. Lutheran—Sunday School 9:00 A. M. Worship 10 A. M.

Union Free High School
Semester examinations will be held this Thursday and Friday with the second semester opening Monday, January 31.

A photographer was at the school Wednesday taking pictures to be used in the school publication, the Annual.

The U. F. H. School basketball team is ahead in the Southwestern Conference district. The team defeated Norris Farm 31-18 and Union Grove 20-18 last week. This week they are to meet the team from East Troy on the home floor Friday evening.

Mrs. Henry Blerdz called Wednesday on her aunts, Grace and Erminie Carey before leaving to join her husband, Lt. Henry Blerdz, aviation instructor at Frederick, Okla.

Mrs. Ray Ferry, Zion, spent Saturday with her father, T. C. Loftus.

Mr. and Mrs. Harry Hasselman and Lavie, Sycamore, Ill., Mr. and Mrs. John Hasselman and daughters, and Mrs. Millie Darby, Kenosha, were Sunday guests of Mr. and Mrs. Fred Albrecht.

Twenty-five years ago Frank Haase, Sr., who was in Company F, Regt. 307 Div. 82 of the Black Arrow Division returned from overseas service and arrived in New York after serving in the First World War.

William Eilers, Mrs. Ruby Wilson, Mr. and Mrs. Frank Marzahl and Mr. and Mrs. George Eilers, all from Richmond, were dinner guests Sunday of Mr. and Mrs. Paul Voss.

Mrs. Minnie Herrick, who spent the summer in Wilmot, has been unfortunate enough to fall and break a hip bone at her Oak Park home. At present she is a patient at the West Suburban hospital. It is the second accident of this nature she has had, having slipped on ice and fallen while living at her farm home, then in Randall township.

Mrs. Herbert Sarbacher entertained at contract Thursday evening.

The Wilmot Lodge of I. O. O. F. held a farewell party Saturday evening in their new lodge rooms for one of their members who is entering the armed forces, Alfred Schmeltzer from Spring Grove. It was largely attended by members of the lodge and other friends of Mr. Schmeltzer.

Mr. and Mrs. Herbert Sarbacher and Mr. and Mrs. Winsor Madden and daughters were among the dinner guests at the home of Mr. and Mrs. George West in Kenosha honoring the birth anniversaries of Mrs. Laura Pastell and her daughter, Gloria Mae, on Sunday.

Mr. and Mrs. Frank Kruckman had as guests for the day Sunday Mr. and Mrs. Ray Bufton, Mr. and Mrs. David Kimball, Mrs. Frank Burroughs and George Hyde.

Charles Kanis returned from the home of his daughter, Mrs. William Hedegaard, Cloquet, Minn., on Monday morning. He left Mrs. Kanis, who is ill, in fair condition with Mrs. Hedegaard and Mrs. Oldenburg.

The Lutheran parsonage is being insulated by the People's company this week.

Mr. and Mrs. R. W. Schenning and daughters, Virginia and Rose, were in Chicago Sunday for the day with Mr. and Mrs. Bernard Dorsch.

Cpt. Henry Easton, N. Camp Hood, Texas, is home on furlough with his wife and daughter.

Saturday evening dinner guests of Mr. and Mrs. G. Higgins were Mr. and Mrs. David Kimball. Sunday they entertained for Mr. and Mrs. Kenneth Hoffman and daughters, Kay and Marlene from Genoa City. Sunday evening the Higgins' were callers on Mr. and Mrs. Floyd Memler.

Anna Mae Shottliff and Eunice

Rent Wages Gain

Real wages of manufacturing wage earners—that is, the wages which have been adjusted to allow for changes in living costs—increased 44.1 per cent from August, 1939, to June, 1943. . . . This situation is to be contrasted with that during World War I, when, although money wages rose, they did not quite keep pace with rising prices, so that real wages declined 1 per cent from 1914 to 1918.

Women of America

IT'S UP TO YOU!

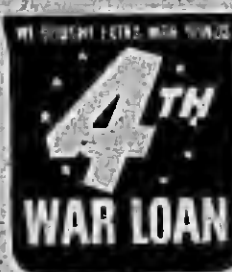

OUR ENEMIES have boasted that American women are pampered, luxury-loving morons who would be of no help to our fighting men at war. But—they were wrong. American women everywhere are doing a bang-up job—in the service, in industry, in business, on the farm and in the home.

But—bigger incomes are tempting some women to buy luxuries they've wanted, perhaps for years, but which they don't really need now.

Every true American woman prays that the war will end—soon. But you've got to do more

to hasten victory, for 1944 is the year of decision. You've got to do your full duty by our boys at the front by keeping up your regular purchases of War Bonds by buying at least one extra \$100 Bond during this Drive and by saving every cent you can in the world's best investment—War Bonds of the Fourth War Loan.

When the war is over, you'll have a lot more money to buy what you want. Meanwhile, you can exult in the knowledge that you are fighting for your country in the most effective way possible. Women of America—it's up to you!

This sticker in your window means you have bought 4th War Loan securities.

Let's All BACK THE ATTACK!

Pretty Installation Ceremony Held By Royal Neighbors

Mrs. Frieda Wertz, Oracle, Heads Officers of Olson Camp for Year

American flags held by the escorts formed an archway through which the new officers of Olson Camp No. 450, Royal Neighbors of America, approached to be installed at ceremonies held Tuesday evening in St. Ignace's hall.

Mrs. Effie Nelson was installing officer, with Mrs. Myrtle Klass as ceremonial marshal; Mrs. Eleanor Edgar, chancellor; Mrs. Catherine Dibble, inner sentinel; Joan Feller, Jane Nelson, Barbara Horton and Patsy Anderson as escorts.

Hostess of Officers
The new oracle, Mrs. Frieda Wertz, has as members of her officers' roster the following:

Past oracle, Myrtle Stowe; vice-oracle, Elsie Horton; chancellor, Christina Nielsen; recorder, Alma Harden; receiver, Myrtle Klass; marshal, Effie Nelson; assistant marshal, Agnes Hills; inner sentinel, Pearl Anderson; outer sentinel, Lillian Gray; the five graces, Dorothy Wirtz, Mae Kinrade, Nellie Haake, Evelyn Palaske, Helen Patrovsky.

Flag bearers, Maren Simonsen, Deborah Van Patten; managers, Julia Rosenfeldt, Emma Quadenfeldt.

Baton twirling by Jane and June Hunter, accompanied at the piano by their sister, Mabel Lou Huotier, was among the entertainment features.

Accordian solos by Dolly Ries; piano selections by Marlene Wertz and dramatic readings by Mrs. Alice Freeman were also greatly enjoyed.

Refreshments were served afterward.

Shirley Hollenbeck, Army Nurse Corps, Bride Of Navy Man

Mr. and Mrs. O. L. Hollenbeck of Millburn announce the marriage of their daughter, Second Lieutenant Shirley Marie Hollenbeck, to W. J. Patrick Murphy, U. S. N. R., Saturday, Jan. 22, at St. Paul's-by-the-Lake, Chicago.

The bride, who is on leave this week from her duties with the Army Nurse's corps at Ft. Custer, Mich., is a graduate of Jane McAllister School of Nursing at Victory Memorial hospital, Waukegan, and of Antioch Township High school.

The bridegroom, formerly of Columbus, Wis., is a graduate of Notre Dame university. He recently returned from 18 months' active duty in the southern Pacific area with the Navy, in which he holds the rating of Boatswain's Mate, first class, and has been a patient at the Great Lakes station hospital. He is now awaiting re-assignment to a new station.

Mr. and Mrs. Hollenbeck also announce the engagement of a granddaughter, Miss Charlotte Marie Hollenbeck, daughter of Mr. and Mrs. Frazier Hollenbeck, Rutherford, N. J., to Wilfred Wolthausen of Fairlawn, N. J. No date has been set for their wedding, but it will probably take place some time in March.

DELEGATES ARE APPOINTED BY ANTIOCH UNIT

Mrs. Helen Osmond and Miss Bertha Schmidt have been appointed by Mrs. Curtis Wells, president of the Antioch unit of Home Bureau, to act as its representatives at Farm and Home Week, Feb. 8-10 at the University of Illinois, Urbana, Ill. The appointments were announced at a meeting Monday in the home of Mrs. Lester Osmond, on Hillside avenue.

Mrs. Bert Doolittle and Mrs. Austin Savage were appointed to attend the Local Leaders' school at Grayslake, Jan. 26, when Miss Twig of the University of Illinois will give the lesson on "The Care and Repair of Floors."

A nominating committee of three members was also appointed by Mrs. Wells, to select new officers for the coming year. Seven new members and one associate member were enrolled in the unit at this meeting.

Announcement was made of the annual meeting of the Lake County Home Bureau, which is to be held in the Methodist church in Libertyville Feb. 29. Diamond Lake unit is to be the hostess at this meeting. Dinner will be served at noon, at a cost of 75 cents per plate. Members and their friends who wish to attend may register their reservations with the president of the unit.

Mrs. Helen Volk, Lake county adviser, gave the lesson on "Ways to Increase the Family Income" and "The Outlook for 1944."

Refreshments were served by Mrs. Osmond and her daughter, Mrs. M. E. Nevitt.

The February meeting will take place in the home of Mrs. Bert Doolittle on Route 173, with Mrs. Wells as co-hostess, Feb. 23.

Special rack of reduced dresses at Marianne's.

CHANNEL LAKE CLUB
WILL SPONSOR CARD
AND DANCING PARTY
Another in the series of popular card and dancing parties sponsored during the winter months each year by the Channel Lake Community club will take place Tuesday evening, Feb. 1, in the schoolhouse. Refreshments will be served.

Card of Thanks
The nieces and nephews of the late Miss Mary E. Stanley wish to thank the many friends whose kind acts and expressions of sympathy helped to lighten the sorrow caused by the death of their beloved aunt.

Card of Thanks
We wish to express our sincere thanks for the many acts of kindness and sympathy extended to us during our recent bereavement.
Mr. and Mrs. Thomas Dowell and family.

Sgt. Eugene Doyle And Chicago Girl United In Marriage

Sgt. Eugene E. Doyle, who recently returned from two and one-half years' foreign service with the United States Army, and Miss Lorraine Leyden of Chicago, were united in marriage at a 10 o'clock mass in Resurrection church, Chicago, Tuesday morning.

Their attendants included the bridegroom's cousin, Geraldine Quinlan, and his brother, Donald Doyle, both of Chicago.

His mother, Mrs. John J. Doyle of Channel Lake, was present at the ceremony.

On his return to the States, Sgt. Doyle was stationed at Ft. Riley, Kansas, for instruction in radio. He is now stationed at Camp Maxey, Tex.

The bride is the daughter of Mrs. Thomas Leyden, Chicago, who was a schoolmate of Mrs. Doyle's sister, Mrs. Helen Marie (Solow) Kough.

ST. PETER'S SOCIETY TO BE HOSTESS TO COUNTY COUNCIL

St. Peter's Altar and Rosary society will be hostess to a meeting of the Lake County Council of Catholic Women in April, it was announced by three members who attended a meeting of the county council Monday in Waukegan. Mrs. John J. Doyle, president, Mrs. James Caple and Mrs. Thomas Killoran represented the Altar and Rosary society of St. Peter's at the Waukegan meeting.

Talks at this meeting placed special emphasis on the value of Girl Scout work. Speakers included Mrs. Kerwin of Libertyville.

More prayer for the men in service was urged, and good reports were given concerning daily masses being held at various parishes. Attention was called to a request from the archbishop of the diocese for an hour of prayer daily on behalf of men in the service, and it was pointed out that the prayers could be said while a person was at work, or that the work in itself could serve as a form of prayer.

Mrs. Caple and Mrs. Killoran returned to Antioch after the meeting, while Mrs. Doyle went on to Chicago to attend the wedding of her son, Sgt. Eugene E. Doyle, on Tuesday.

Personals

Mr. and Mrs. H. A. Radke had as their guest during the week-end their son-in-law, Herbert Carey of Dallas, Texas. While here, he also visited Kenosha relatives, at a gathering at the home of Mr. and Mrs. R. P. Cavanaugh.

Special rack of reduced dresses at Marianne's.

A meeting of the Antioch Eastern Star chapter will be held Thursday evening.

Lodge rooms of the Antioch Masonic temple are being re-decorated this week.

Mr. and Mrs. Otto S. Klass celebrated their twenty-fourth wedding anniversary Tuesday.

Card of Thanks
I wish to express my sincere thanks for the many acts of kindness and sympathy extended to me during my recent bereavement.
Mrs. E. Nowicki.

Radio Broadcast Will Feature Lake Region

Antioch and other lake region communities including Grayslake and Fox Lake, will be featured in broadcasts over Radio station WJJD, Chicago, Friday, Jan. 28, and Friday, Feb. 4, according to Bert Ray, of Ray's Service station, Highways 173 and 21, who is one of the sponsors in this community. The broadcasts will be given from 11:30 to 11:45 a. m. on both dates, as part of the station's "Radio at War" program.

Village Clerk Receives New Fishing Licenses

Good news for all who have been longing to do some ice fishing but have not as yet secured their licenses is the announcement that Village Clerk Roy L. Murrie has just received a new stock of fishing licenses.

This is the first time in several years that ice fishing has been permitted in the lakes region, and it is proving very popular.

Bert Dickey, who has been confined to his bed by illness for the past ten days, is reported somewhat improved this week.

Fats are needed—the call MUST be heeded.

News of the Boys Accident...

(continued from page 1)

have read them all, when up pops another that you missed somehow," is the simile given by Lt. J. O. Austin, NFPS, William Jewell college, Liberty, Mo.

"The service address list would pass for an Alumni Roll for the Sequoits. No school or community will be better represented than Antioch and Lake Villa in any worthwhile activity. The Antioch News keeps us abreast of home front news, and makes everyone feel and know that the old teamwork will end this struggle in as short a time as humanly possible. The sooner the opposition is crushed, the sooner our boys will be coming home, and that is the goal—settle this mess for all time to come, and then come home.

"Sunny Florida with its beautiful skies, beaches, sand fleas, mosquitoes and land crabs is a thing of the past now for me. I am again where they have livestock, snow, and seasons. Early in December I was transferred here as officer-in-charge of the Naval Flight Preparatory base. It is good duty, but you can guess where I would rather be if the war were only over."

Pvt. William A. Johnson has been home from Camp Gordon Johnson, Fla.

Pvt. Frederick E. Hawkins is expected home for a visit next week from the College of Mines, El Paso, Texas, where he has been studying under the ASTP program.

In the event it hasn't been mentioned before, it's now First Lieutenant Charles W. Hawkins of the U. S. Marine corps, care of Fleet Postmaster, San Francisco, Calif.

Pvt. William H. McMurdo and Mrs. McMurdo send greetings from Camp Wolters, Texas, where Pvt. McMurdo has been stationed.

Pvt. John J. Radtke has been transferred from Ft. Benning, Ga., to Camp McKall, N. C.

Pvt. Arney Armstrong writes from overseas to send in his new APO number.

"I have just been transferred to Camp Campbell, Ky., and I would appreciate it if you would send the News to my new address," Pvt. Theodore L. Schick informs the News.

A/C William Morgan has been moved from San Antonio, Tex., to Brayton Flying Service, Cuero, Texas.

Pvt. Thomas Currens has been transferred from the Seattle APO list to Drew Field, Tampa, Fla.

T/S Vernon W. Craft, son of Mr. and Mrs. Leon Craft of Grayslake, and a graduate of Antioch Township High school, is now stationed in England, where he is serving with an air force squadron. He joined the air corps Sept. 12, 1942, and received radio and operator mechanic's training at Scott Field, Ill.

Craft worked in the medical department at Ft. Sheridan in a civilian capacity before enlisting.

He is an accomplished piano player and acted as accompanist for a singer in a Christmas Eve program at Cambridge, England, which was heard in this country by short wave broadcast.

Pvt. Tony B. Selacero, Lake Villa, who has been home from Camp Blanding, Fla., on furlough, was a caller at the Antioch News office Monday morning. He will return to duty Friday.

Lt. (J. G.) Ted C. Larson, who has been on sea duty aboard a corvette, is spending two weeks' leave here with his parents, Mr. and Mrs. P. T. Larson.

From Pvt. Cecil L. Anderson, San Francisco APO, comes a not-unjustified wall of indignation—

"I've only gotten one issue of the News since I've been over here and I've been wondering what's the reason. I miss the paper an awful lot, particularly the News of the Boys. All my other mail comes through regularly, so perhaps you are still using my old APO. Chow is pretty good over here and I go swimming now and then after work."

(Editor's Note:—Sorry about them that missing papers—we see where we didn't have the complete address. 'Twill be fixed.)

Pfc. Harold S. Wells, care of postmaster, San Francisco, writes to Mrs. Curtis Wells at Tamarack Farm that he is "still kicking."

Herman Roy Edelmann, S 2/e writes to let us know his new Fleet postoffice address, and adds "thanks for the service Legion members are doing on the home front."

Pfc. Leo E. Buchta, who was home on a 14-day leave a while ago says—"It sure looked swell around Antioch at Christmas. It was grand to see my son for the first time."

"Completed the rifle range just before I got home. Made 'expert' on the small bore rifle and on the carbine; I made 'sharpshooter' on the Thompson sub-machine gun and on the 30-caliber rifle."

(Continued from page one)

slightly as it moved up a moderate grade, when there was a violent jolt from the rear and his head struck the back of the cab.

Getting out to investigate, he discovered that the automobile had struck the rear of the truck with such force that the front of the car was wedged under the truck. Several other cars had stopped, and Nowicki was lifted from the car by motorists who had gathered. Dowell was removed from the wreckage by sheriff's deputies who had been summoned, but died a few minutes later.

Nowicki was removed to the hospital, where it was discovered that he had sustained severe multiple injuries, including a skull fracture and lacerations about the head. He died at 3:50 a. m.

Services Held Wednesday
Dowell was born at Channel Lake Jan. 4, 1904, and was the son of Mr. and Mrs. Thomas Dowell, who survive.

Survivors also include his sisters, Mrs. (Julia) Nowicki, Mrs. Henry Kapell, Channel Lake; Mrs. John Suter and Miss Ruby Dowell, Bellwood, Ill., and Miss Hazel Dowell, Waukegan; and his brothers, Harold Dowell of Berlin, Wis., and Pvt. Ralph Dowell, U. S. Army Air corps, who is serving overseas in the Pacific area.

Besides his widow, Nowicki, who was born in Berlin, Wis., Sept. 30, 1912, is survived by a son, George Edward, 4, and a daughter, Marjorie Ann, 2.

He is also survived by his father, Louis, of Oshkosh, Wis., and by brothers and sisters, including Mrs. Josephine Elmer, Miss Florence Nowicki, Louis, Jr., George and Leo, all of Oshkosh, and a brother, Pvt. Harold, who has just returned from overseas service with the army.

Services for both were conducted Wednesday, for Nowicki at 10 a. m. from St. Peter's, with burial in the parish cemetery, and for Dowell from Strang's funeral home, with burial in Grass Lake cemetery.

Both men had many friends throughout the community, and word of their death came as a distinct shock.

Paper And Metal Salvage Campaign Will Be Continuous

Collectors Report 10 Tons of Material Were Gathered During Week

Approximately ten tons of salvage were collected during the past week in Antioch and vicinity, according to C. L. Kutli, chairman of the Salvage committee.

Waste paper totaling 12,510 pounds was shipped out Thursday and Saturday. Several tons of paper and metal are still on hand awaiting the arrival of trucks to take away the balance which is held at salvage depots and at private storerooms in the business district.

The Grade School pupils excelled their previous record by collecting 10,800 pounds last week.

The salvage collection campaign is now a continuous one. People are to save all their waste paper and bring it to the Salvage depot at the barn back of the Antioch Township High school. Large amounts can be collected by truck, if C. L. Kutli at Antioch 296 is notified.

"Keep magazines and cardboard separate from newspapers and waste basket paper," Kutli advises. "Place paper in large boxes or tie securely. Please let's have a better job of tying. Too many of the bundles come apart in the handling."

WIN BASKETBALL GAME WITH LIBERTYVILLE 24-11

The Grade School basketball team played Central School of Libertyville at the Antioch High School gym, Friday afternoon at 3 p. m.

Antioch won by a score of 24-11.

Leo has been stationed at Camp Luna, Las Vegas, N. Mex.

From Marvin E. Van Patten, yard master-rail head, Camp Forrest, Tenn.

"We have been rather busy here in camp receiving and shipping winter supplies for the troops here and those out in the field on maneuvers. For their Christmas dinners we sent enough food to feed one person... years if he were to eat it all by himself—that's a lot of food for one day. We are having our first real snowstorm. Makes a fellow sort of homesick for the north."

A word or two of further encouragement has been received from Pvt. Edward Sorenson, Fort Riley, Kans.—"Keep pitching with that bowling news. How about the team standings now and then?"

Cpl. Arthur Carpenter, "somewhere in England," says, "I see where the fellows in class 42 and 43 are writing in from all parts of the globe. I hope in the near future we all have the chance of meeting in Antioch again."

SEQUOIT NEWS

Edited by Students of Antioch Township High School

St. Mary's To Meet Sequoits Saturday Night

Will Seek to Avenge Earlier Defeat, Is Expectation

Local fans who attended the St. Mary's-Sequoit game in the Antioch Township High school gymnasium Saturday evening are expected to enjoy a thrilling evening. The two teams clashed earlier in the season, it will be recalled, with St. Mary's taking both the heavy and lightweight games by identical scores of 33-21.

The Sequoits are reported to be anxious to avenge their defeat. The first game will start at 7:30 p. m.

Split with Elia
The Sequit Heavies were defeated Friday night by the Elia Polar Bears, with a count of 38-28. The Bears outscored the Sequoits for the first three quarters, but the locals came back with a last-minute rally to ring up seven points. High scorer for the Sequoits was Nielsen with 11 points, followed by Wilhelm's 10 points.

The Antioch Lights captured another victory to stay tied for first place with Barrington in the North West conference's Lightweight division. They outscored the Elia Lights in every quarter for a 34-14 victory. Cunningham was high point man with 9 to his credit.

very successful. With the efforts of the grade school boys and the cooperation of many of the parents we have been able to gather almost six tons of paper. We have sold 9,500 lbs. of paper and 800 lbs. of cardboard and still have about a ton of paper and magazines on hand which will be sold this week.

We are very grateful to Mr. Mapletorpe for allowing us to use his station for storing the paper.

LET'S INCREASE SALE OF DEFENSE STAMPS

The Fourth War Loan Drive is on and we of the Antioch Grade school are trying to take our place in it.

The eighth grade girls are in charge of the sales and are making an attractive booth in the hall.

We sell stamps from 8:45 in the morning, till 9:00 o'clock. At noon we sell from 12:45 till 1 p. m.

We are running a slogan contest to see who, in the grade school can make the best War Stamp slogan. The prize will be a war stamp corsage.

GIVE TALKS ON

LEGION AWARD

Otto S. Kloss and American Legion Commander Floyd Horton came down to the grade school to talk to the eighth grade about the Legion award given away to a boy and girl graduated every year.

The award is given to the one that has the highest percent of the five qualities.

ROOM NEWS

Mr. Whitacre, and members of the paper staff received a very interesting letter from Mrs. Knapp's husband who is stationed in Sardinia with a bomber squadron.

To All Voters of Antioch Township

Citizens who have not previously registered under the Illinois Permanent Registration Act may do so on

Saturday, January 29th, 1944

at the

Village Hall, Antioch, Ill.

from 2:00 to 9:00 P. M.

While eligible persons may register at any time at the Court House in Waukegan, this special registration has been arranged in order to save gasoline and tires. Persons who have become 21 years of age and others who have moved into the township since the last registration should register at this time.

Citizens who voted by affidavit at the last election will be barred from voting unless they have a permanent registration card, as the law provides that citizens may vote at "one but not more than one election prior to the first Tuesday after the first Monday in November, 1946."

It is your duty as a citizen to register

WEEKLY NEWS ANALYSIS

Red Army Launches 'Bloodiest Drive' To Break Strong Nazi Defense Lines; Indian Tribes Aid in Arawe Offensive; Government Relinquishes Rail Control

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)
Released by Western Newspaper Union.

Home to Yanks—Protected overhead by sandbags and shell cases, this dugout on Italian battlefield is home, sweet home to these Yanks.

RUSSIA: Baltic Drive

Massing 250,000 men along a 250-mile stretch, the Russians launched a new offensive below Leningrad in the north, 70 miles from the Latvian border. In the initial fighting, the Reds cut across a railroad supply line, and also pushed toward the big Nazi base of Novgorod.

To the south, Gen. Nicholas Vatutin's First Ukrainian army drove 40 miles within prewar Poland, while in the province of White Russia, the Reds gained in heavy fighting over the frozen wastes of the vast Pripiet marshes. On the southern front, stiff German defenses prevented a break-through to the Black sea Rumanian region.

Polish Boundary

Following Russia's suggestion that discussions for settlement of the Polish boundary dispute be based upon the so-called "Curzon line" awarding the provinces of White Russia and the western Ukraine to the Soviet Union, the Polish government-in-exile answered by asking that the U. S. and Britain mediate the question.

Russia took none too kindly to the idea, claiming that by asking the U. S. and Britain to intervene the Poles rejected the "Curzon line" as a basis for negotiation. Violently opposed to the present Polish government-in-exile the Russians declared discussions with the present Polish government-in-exile were virtually impossible unless it was revised, with Communists included in a new setup.

Peace Talks

Russia's unofficial report that two prominent British statesmen had met with German Foreign Minister von Ribbentrop in Spain to discuss a separate peace were vigorously denied in London.

In London, it was pointed out that the von Ribbentrop story apparently was an amplification of a rumor that has been widely spread since the Churchill-Edgo conferences in Egypt, but was not taken seriously by other sources.

SOUTHWEST PACIFIC: Surprise Promised

Made up of Indians from 20 tribes trained in jungle warfare in Panama, units of Lieut. Gen. Walter Krueger's Sixth army plowed forward at Arawe in southwestern New Britain, as U. S. bombers continued hammering the big Jap supply base of Rabaul, to the northeast.

Although U. S. advances on New Britain were slow, they were definitely containing Jap forces that might be employed in the more vital area to the east. Speaking from Southwest Pacific headquarters, Rear Adm. Robert B. Carney said: "Rabaul and Kavieng are next on our list, but our method of taking them won't be in accordance with any familiar pattern. . . . Just how we will do it will be something the enemy least expects. . . ."

Indicative of the scale of U. S. air attacks on the big base of Rabaul which acts as a feeder point for Jap barges supplying the New Britain, New Guinea and Solomons area, the Tokyo radio admitted the sinking of several ships in the harbor after a raid of 200 American planes.

RAILROADS: Back to Owners

Following the termination of strike threats with the settlement of the unions' wage disputes, the war department returned the railroads to private ownership.

The action was taken after 1,150,000 members of the non-operating unions were granted wage boosts of from 9 to 11 cents an hour, with extra payments for time over 40 hours making up part of the increase. Employees receiving less than 47 cents an hour will get the 11-cent raise, with those over 57 cents granted 9 cents.

Previously, 350,000 members of the operating unions had been awarded a 9-cent-an-hour boost.

EUROPE: Road to Rome

From their positions on the mountain slopes, U. S. and French troops looked down on the defenses of the Nazi stronghold of Cassino, guarding the long road to Rome. From Cassino, the broad plain running northward lends itself to armored warfare instead of the tedious, uphill mountain fighting of recent months.

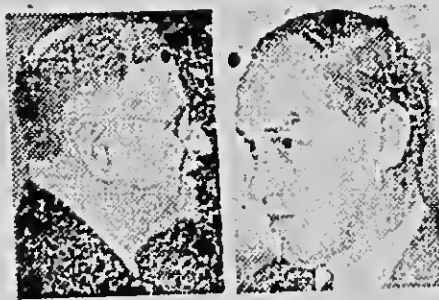

As U. S. and French forces bore down on the tangled barbed wire, concrete emplacements and deep gun pits making up the Nazi defense system around Cassino, swirling rain and snow held up the British Eighth army's advance on the other end of the front.

Across the Adriatic in Yugoslavia, guerrillas of Josif ("Tito") Broz continued to harass German troop movements throughout the country, considered as a possible invasion site.

POLITICS: Strange Letter

Grumpy old Secretary of the Interior Harold I. Ickes was brought into the case of the mysterious letter, produced by C. Nelson Sparks and allegedly written by Harry Hopkins, and purporting to show that the latter as the President's No. 1 adviser is in close contact with Republican Wendell Willkie.

Sen. William Langer (N. D.) displayed photostatic copies of letters allegedly written by one of Ickes'

Left to right: Ickes and Hopkins

deputies to Sparks, claiming that the secretary of the interior was in possession of Hopkins' original letter to a prospective Democratic senatorial candidate in Texas, promising him support from Willkie forces in the primary election.

Ickes' alleged involvement in the case came as a government attorney branded the Hopkins letter a forgery. Following Senator Langer's action, Ickes suspended his deputy and said: "I don't know who will ultimately turn out to be the villain. . . . but it will not be I."

PEOPLE IN THE NEWS . . .

Good Reader

Somewhere in the South Pacific, a native kept one ear cocked while marines argued over the height of the Empire State building.

Finally, the native piped up: "No one right," he said. "Empire State building 1,250 feet high."

"How do you know?" the marines asked. "Just good reader," the native answered.

X-Ray Tells Secret

When 3 playmates brought 10-year-old Johnny Wilm of Springfield, Ill., home with a wound in his abdomen, they said he had fallen on a pile of cinders.

But when little Johnny's fever had failed to subside X-rays showed a bullet lodged near his spine. Then, he confessed having been shot by one of his playmates during a "Com-mando" raid.

CONGRESS:

Shun Labor Draft

Legislation for a labor draft, requested by President Roosevelt in his annual message to congress, was given the cold shoulder by the house military committee, which pigeon-holed the bill despite the senate's consideration of the measure.

Had the request for a labor draft been made after Pearl Harbor or in the midst of walkouts which prompted enactment of the Smith-Connally antistrike law, congressional circles say it might have passed. With war production at a record high, however, only serious strike threats could force enactment of the legislation, it was added.

Discharge Pay

Declaring that with the possible enrollment of 15 to 20 million men and women in the services discharge pay amounting to \$1,000 per person would cost the government from 15 to 20 billion dollars, Representative Dewey Short (Mo.) argued for house acceptance of its military affairs committee's bill providing mustering-out payments of \$300.

In one effort to boost payments to discharged vets, Representative William Lemke (N. D.) proposed increasing the maximum disbursement to \$700. Previously, the senate had passed a bill providing mustering-out payments ranging from \$500 for vets with 18 months' or more service overseas, to \$200 for less than a year's service at home.

WHEAT MOVEMENT:

Cars for Canada

War Food Administrator Marvin Jones' order to the Office of Defense Transportation to furnish 200 freight cars daily to bring in Canadian wheat was sharply criticized by Sen. Clyde Reed (Kan.), who contended the rolling stock was needed to move domestic grain from clogged elevators.

Countering Senator Reed's criticism, Jones said he was merely acting to relieve the tight feed situation in the U. S., what with grain inventories as of January 1 about 500,000,000 bushels below last year. By diverting 200 cars daily to Canadian shipments, the WFA expects to import 40,000,000 bushels of wheat by May 1, and a total of 95,000,000 bushels in the first 6 months of 1944.

Although Senator Reed said the diversion of 200 cars would actually represent 25,000 cars, Jones disputed the figure, placing it at 6,000 cars.

Sen. Reed

Marvin Jones

EARTHQUAKE: City Ruined

Famous for its fruits and wines, the picturesque city of San Juan, situated high up in the Andes mountains of Argentina, lay in ruins following 4 earthquakes inside of 12 hours.

Panicked as the earth rumbled and shook, thousands of people rushed screaming from swaying buildings, only to be struck by chunks of falling masonry. Estimates of the dead were placed as high as 5,000, and of the injured at about 13,000.

Although the quakes were felt across the whole continent from Chile on the Pacific to Argentina on the Atlantic, San Juan with its 30,000 population was the most important city hit. Bravely, its survivors telegraphed Argentine President Gen. Pedro Ramirez for a \$37,500,000 loan for reconstruction, and conscription of 50,000 workers to help harvest the district's fruit crop.

SOLDIERS' FARE: Stocks Needed

If cold-storage warehouses throughout the U. S. are bulging with food, it's because the army must have record supplies on hand for troops. Brig. Gen. J. E. Barzyski of the quartermaster department said.

For every soldier overseas, the army must hold 272 days of food in reserve. General Barzyski declared. There must be 15 days' supply in transit to depots; 65 days' supply in ports and depots; 30 days' supply afloat; 92 days' minimum overseas supply; 45 days' overseas operating stocks, and 25 days' extra supply to cover losses from enemy action.

In addition, General Barzyski said, the army must have 10 days' food supply on hand for U. S. camps. Because a whole year's supply of such non-perishable foods as canned corn, etc., must be bought during the short period of production, stocks on hand will be large at completion of the harvest.

AIR LINE RECORDS

With the completion of the 57,000-ft coast-to-coast flight, United Airlines planes have established what is believed to be a new record for long distance air transport operation. The company pioneered in transcontinental flying, the first trip being made in a two-passenger Boeing 40-A mail plane July 2, 1927. The passengers rode in a box-like compartment in those days. Crossing the country took 34 hours, at about 105 miles per hour, compared with present 200-mile-per-hour speed.

LAKE VILLA

The subject "What Can We Believe About Immortality?" has been selected by the Rev. DeVries as his sermon topic for next Sunday's worship service at 11 o'clock. The young people's group will meet at the Seefeldt home west of the village for their meeting at 7:30 o'clock, and young people of high school age are especially invited.

The Woman's Society of Christian Service has divided itself into neighborhood groups for greater convenience in transportation and concentration of effort. The village group met Wednesday with Mrs. Charles Homlin at her home, the Sand Lake group met Tuesday with Mrs. Gunnarson and the Petite Lake group will meet next week with Mrs. Von Oeyen. The next general meeting will be on Wednesday, Feb. 10. The Society is planning for a family group dinner at the church during February and the date will be announced next week.

Mrs. Meyer is spending some time with her daughter, Mrs. John Sonnenberg and family.

Mrs. Alice Culver and brother, Smith Gilbert, of Round Lake, were guests of Mr. and Mrs. Frank Richards last Sunday.

Pvt. Leonard Schneider, his wife and small daughter came late last week to visit the home folks. Pvt. Schneider returned to Fort Riley, Kansas, on Wednesday, but Mrs. Schneider who has been with her husband for several weeks, remained

here with her mother, Mrs. Anna Nader.

Mr. Anderson of Kenosha spent a few days recently with his daughter, Mrs. Anna Nader.

Donald Pedersen of Waukegan visited his aunt, Mrs. Henry Cable and other relatives during the past two weeks. Mr. and Mrs. Cable were guests of Mrs. Cable's sister, Mrs. Fowles and family at Pistakee Bay on Saturday evening.

Sgt. Bernard Schneider and wife of Ft. Benning, Ga., visited his parents, Mr. and Mrs. Walter Schneider a few days last week, and the Schneiders' daughter, Mrs. Gordon Blumen-scheln, with her husband and children of South Bend, Ind., also visited the home folks over Saturday and Sunday.

Charles Beannecke, Jr., of the Navy, stationed at Great Lakes is enjoying a fifteen day furlough with his wife and parents here.

Mr. and Mrs. Henry Jarvis are receiving congratulations on the birth of a daughter on Jan. 18, and Mr. and Mrs. Bunkelman also have a daughter, born on Saturday, Jan. 22.

Mrs. Marie Hamlin entertained the ladies of her sewing club at a luncheon at her home last Thursday afternoon, and the ladies spent the time in sewing or crocheting, and added stars to the service flag.

Mrs. Henry Riedel is convalescing at her home at Sand Lake from a recent appendectomy.

THEY COULD AFFORD A LITTLE EXTRA ... CAN'T YOU?

The Fourth War Loan starts today.

Your Government wants you to support this loan by buying at least one extra \$100 Bond.

You may not find it easy to spare an extra \$100. But—

If the men in our armed forces can afford to give their limbs and lives—then certainly you can afford to lend at least \$100 . . . or \$200 . . . or \$300 . . . or even \$500.

Be a good American—buy extra Bonds RIGHT NOW!

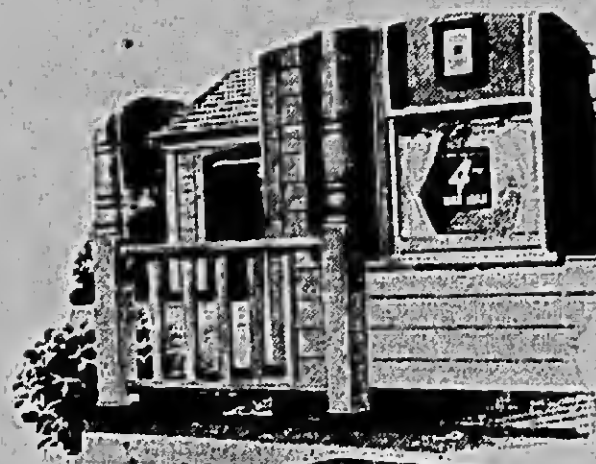

Let's all BACK THE ATTACK!

Sponsored by

PUBLIC SERVICE CO. OF NORTHERN ILLINOIS

Will you be showing this Badge of Honor in your window?

It's the sign of a well-financed farm or ranch, too!

The Fourth War Loan is on! Every farmer, every rancher in America is called to the greatest offensive yet . . . the buying of more War Bonds than he has ever bought before.

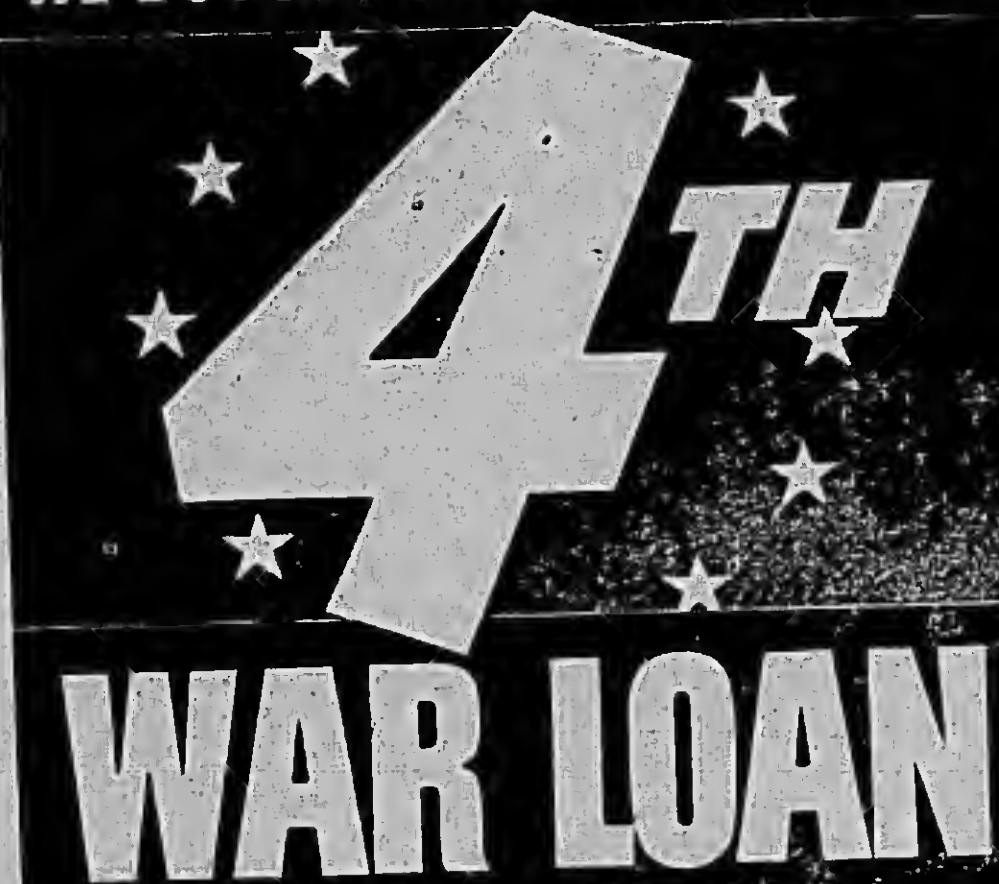

There are lots of other places we could be putting our money, sure! And there are lots of other places our boys could be than in foxholes and slit trenches. But none of those other things we'd rather be buying or doing amount to anything right now. The boys are doing their job. We've got ours to do to take every cent we can scrape together and buy War Bonds with it!

And what a lot of sense it makes, after all. War Bonds are the safest and best

financial reserve ever offered us. We will have buildings to repair, machinery to replace, and improvements to buy later on. Where's the money coming from if not from today's earnings? And where's the money coming from for that long vacation, for the children's education, for the new car?

Take a look at the types of War Bond investments that are offered. Pick the type that fits your particular needs. And then write out the biggest check you can and order Bonds today from your postmaster, your bank or your Production Credit Association. You will look back on this day as the wisest day you ever lived!

WE BOUGHT EXTRA WAR BONDS

This window sticker identifies you as the purchaser of extra War Bonds during the Fourth War Loan. It is a badge of honor to be displayed with pride. Be the first in your neighborhood to have one. Buy an extra War Bond today!

Your choice of investments Pick the one that fits your needs!

Series E War Savings Bonds: For individuals. Purchase limit, \$5,000 (maturity value) in any one year. For a \$25 Bond, you pay \$18.75; get back \$25 in ten years. Likewise, the \$50 Bond costs \$37.50, the \$100 Bond \$75; the \$500 Bond \$375; and the \$1,000 Bond \$750. Interest figures out at 2.9% compounded semi-annually, if held to maturity. These Bonds are not transferable, therefore not good for collateral.

Series G, U. S. Savings Bonds: For associations, trustees and corporations as well as individuals. Purchase limit, \$50,000 in any one year. You pay full price for a Bond, but receive 2½% annual interest, paid to you semi-annually by Treasury check. Bonds will be redeemed in 12 years but can be redeemed prior to maturity if you need the cash. Not transferable, therefore not good for collateral.

3½% Treasury Bonds: These Bonds are priced at 100% face value plus accrued interest. Interest payable on a semi-annual basis June 15 and December 15. They may be redeemed at the option of the United States at par and accrued interest after December 15, 1964; and until 1969. They may be obtained in bearer form with interest coupons attached, or registered as to principal and interest. They may be pledged as collateral for loans, including loans by commercial banks. Denominations: \$100, \$1,000 and up.

★ You can buy Series E War Savings Bonds from your bank, post-office, mail carrier or Production Credit Association.

★ You can name a co-owner or a beneficiary.

★ You never get less than you lend.

For America's future, for your future, for your children's future invest in extra War Bonds now!
